[1] The check negotiation fee is assessed only when the member's savings account balance is less than \$250.00 and the member has no other qualifying relationships with Ripco (loans, credit cards, other accounts with aggregate balances in excess of \$250.00). This fee will not be assessed to members under 18 or members over age 62.

[2] Excessive NSF activity may result in account closure and report of unsatisfactory performance to ChexSystems.

[3] Federal Regulation D limits the number of transfers from Share savings and Money Market Index accounts. During any month, when a member makes more than six (6) withdrawals or transfers to another credit union account by means of a preauthorized or automatic transfer, telephonic or Internet order or instruction, or similar order to a third party, the \$25.00 fee will be imposed for each excess transfer. Continued violation of Regulation D may result in suspension of automated services (including overdraft protection, audio response and online banking) or account closure.

[4] You may transfer available funds from your Kwik Cash line of credit to your checking or savings accounts with no additional service charges via either "It's Me 247" online banking or "ExpressLine" audio response.

[5] An account is considered dormant if for three years no withdrawals or deposits, other than credited dividends, have been made to this account. This fee will not apply if you have an aggregate balance of \$250.00 or more in your account, if you have a loan or credit card with us, or if you are younger than 18.

[6] If you fail to notify us of an address change and we receive an address correction from the US Post Office or through our own research, we may charge your account an address correction fee.

[7] When mail sent to the last address on record is returned to us by the post office, your account will be coded "wrong address" and will be charged an incorrect address fee of \$5.00 per month until such time as you notify us of your correct address (in writing). For information security purposes and to protect you against identity theft, we require a signed order from you before we will change your address. Temporary forwarding orders on file with the Post Office will not be sufficient, and your mail will be returned to us marked "temporarily away"; the wrong address fee will be imposed in this situation.

[8] ATM transaction fees are charged only when using a plastic card that was not issued by Ripco Credit Union or by another member of the Alliance One ATM Network.

[9] Minimum balance fee and per check fee charged for checks cleared in excess of 15/month will be assessed only on type 045 (dividend-earning) checking accounts when the account balance falls below \$250 at any time during the month. These fees will not apply under certain circumstances as set forth in credit union policy.
